Brigade \_\_\_\_\_

C. S. A.

**GENERAL DIRECTIONS.**

Applicant should append all official papers possible to prove his identity and service; also letters from acquaintances; and should give the names of parties from whom further information can be asked, if deemed necessary.

A surgeon's certificate of disability is not required, as the Association trusts to the honor of the Confederate soldier and those indorsing him. But it will be a useless expense to the county and a waste of time to the applicant to procure admission to the Home by false representations, as such are certain to be dismissed on discovery.

In cities the mayor's certificate may be substituted for that of the Judge or Clerk of County Court.
